

Triumph Filing and Storage **Essentials**

Triumph

The Metrix Storage System

Metrix is designed to combine four storage options into one hard working system

Whatever category of storage you need, the Metrix range of side filers, cupboards, tambours and combination units, work together as one complete storage system - matching the versatile needs of any modern office

And, if you have to get more people in at short notice, the space saving footprint of Metrix can quickly free up your floor area, and give you just the room for manoeuvre you need

Clean lines and a concise group of elements, also make Metrix easy to plan, easy to install, and easy to reconfigure

Metrix Double Door and Open Fronted Cupboards

You only get one chance to make a first impression, Metrix combines form and hard working function, and can be built to improve any modern office environment

People tend to think of storage in horizontal runs, but carefully chosen height variations can be used to dramatic architectural effect

10 year guarantee

Metrix Side Filers

Metrix side filers can give you a high level of useable internal capacity. A highly effective way of getting the most in. Metrix internals can then build on this advantage and enhance it further

10 year guarantee

Metrix Tambour Cupboards

Here, Metrix tambours perfectly compliment our Metrix side filers, in an area where unobstructed passage is essential

Tambours are available in three widths heights ranging from 695 to 2220mm

A scratch resistant ribbed tambour door is standard, they also accept a full range of accessories and are available in a wide choice of colours
